Local Artist: We are excited to carry the incredible work of local artist Emily Baar a graduate from Florida

State University where she received a Bachelor's Degree in Art.

A Sarasota native, she finds inspiration from the beautiful surroundings, scenes imagined in literature, and memories we wish to hold close. Creating several personalized pieces of various media and subjects, Emily wanted to provide a more portable memento. This led to a series of hand painted miniatures. Presented in a pendant, each one-of-a-kind painting depicts detailed images such as flora, fauna and the landscapes they inhabit. Custom requests also inspire and challenge her to keep each painting as original (and small) as the eye that beholds them.

...come check out her miniature jewelry paintings at our new location!

As always we teach a variety of classes in Beading, Wire Wrapping, Bead Weaving, Chainmail, PMC, & Silver Soldering.

Our focus has always been on classes and creating custom pieces. We are now shifting our focus slightly to include more finished pieces made by the owner and staff of Knot Awl Beads. We are also taking on more local artists and giving them an outlet to sell their pieces for all your gift needs.
